Exclusive Provider Organization (EPO)
Group Health Plan

What is an EPO Plan?

An EPO, or Exclusive Provider Organization plan, requires you to utilize an exclusive group of providers for medical services in order for there to be benefits available under your group health plan. Any services rendered by a provider outside of the EPO will not be covered by your plan. The exception will be for medically necessary services that are not available within the provider network. These services must be approved by CDS' Medical Management Department prior to services being rendered to be considered for coverage under your plan.

How do I locate an Exclusive Provider?

Use the enclosed customized EPO Directory to locate current providers within your Exclusive Provider Organization. This is a customized provider list only for the Club Cal Neva EPO Plan, therefore it is not available on the Universal Health Network (Nevada Preferred Healthcare Providers) website. If you wish to confirm that a provider is in your network, please call Nevada Preferred Healthcare Providers at (775) 356-1159 and identify yourself as a member of the Club Cal Neva EPO Group Health Plan.

Which are my Exclusive Hospitals in the Reno/Sparks area?

For services to be covered under your EPO plan, you may utilize the following Reno/Sparks acute care hospitals:

- ◇ Saint Mary's Regional Medical Center
- ◇ Northern Nevada Medical Center

(See your directory for a full listing of Northern Nevada hospitals)

Which are my Exclusive Surgical Centers for Outpatient Surgery?

- ◇ Digestive Health Center
- ◇ Summit Surgery Center at Saint Mary's Galena
- ◇ Reno Endoscopy Center
- ◇ South Meadows Endoscopy Center

Where do I get Laboratory Services?

You may utilize Quest or LabCorp for any lab services.

Where do I get radiological/diagnostic testing services?

All outpatient radiological/diagnostic testing services must be rendered at **Reno Diagnostic Centers.**

Enclosed is the detailed list of the Exclusive Providers for the Club Cal Neva EPO Plan

Below is a quick reference guide of EPO providers that must be used for medically necessary out-patient surgery, hospital services, laboratory services, radiology services and physician services. If you receive services from a non-EPO provider it will not be covered under your EPO Group Health Plan. Any service for \$1,000 or more must be pre-authorized by CDS' Medical Management Department.
